Eligible Services List

USAC Schools & Libraries

Eligible Services List Schools and Libraries Support Mechanism for Funding Year 2009

Overall Eligibility Requirements for All Categories of Service:

The Eligible Services List indicates whether specific products or services may be able to receive discounts under the Schools and Libraries Support Mechanism.

The List is organized into four sections that represent the four funding categories established by the Federal Communications Commission (FCC) plus a Miscellaneous section that is applicable to multiple categories:

Telecommunications Services
Internet Access
Internal Connections
Basic Maintenance of Internal Connections
Miscellaneous

In addition, the following sections are provided:

Special Eligibility Conditions
Glossary, providing additional information about the terms used in this Eligible Services List
Index
