Re: Schools and Libraries Funds Available for Carry-forward.

Dear Ms. Gillett:

Per the inquiry of Wireline Competition Bureau staff, USAC has reviewed the funds currently available for the Schools and Libraries Universal Service Support mechanism. Since USAC filed the federal Universal Service Support Mechanism Fund Size Projections for Third Quarter 2011 on May 2, 2011 with the Commission, we have identified additional funds in schools and libraries reserve accounts that were not already designated for carry-forward. Such funds would be sufficient to make commitments at the 80% discount level for Priority 2 requests for Funding Year 2010.

Sincerely,

Richard A. Belden
Chief Operating Officer
