In the Matter of: Nomination for Universal Service Administrative Company Board of Directors,
CC Docket Nos. 97-21 and 96-45

Dear Chairman Genachowski:

On behalf of the public and private schools and America's libraries, we write today to urge you to appoint Dr. Daniel A. Domenech to the Universal Service Administrative Company (USAC) Board of Directors as the representative for schools that are eligible to receive discounts, filling the vacancy created by the retirement of Anne Bryant, Executive Director for the National School Boards Association (NSBA), pursuant to § 54.501. We greatly appreciate the opportunity to submit this nomination.

Dr. Domenech currently serves as the Executive Director of the American Association of School Administrators (AASA), the national professional organization representing chief executive officers, superintendents and senior level school administrators as well as cabinet members, professors and aspiring school system leaders. Dr. Domenech has more than 40 years of experience in public education, including 27 years served as a school superintendent. His education and leadership background would be a tremendous asset to the Board and entire universal service program. Further, his direct link to public school systems provides a sense of continuity when it comes to representing school system-level thoughts and opinions, as he would fill the spot currently held by the NSBA.

As the Executive Director for AASA, Dr. Domenech is deeply committed to supporting the total child, from physical and mental health to the development of fundamental, lifelong learning skills. In today's increasingly global and competitive world, a top notch education and the building of lifelong learning skills require access to education technology, and Dr. Domenech is acutely aware of the crucial role the E-Rate program plays in helping schools and libraries afford telecommunications connectivity.

Prior to AASA, Dr. Domenech worked at McGraw-Hill Education. Prior to his position at McGraw-Hill, Domenech served for seven years as superintendent of the Fairfax County, Va., Public Schools. Domenech began his teaching career in New York City, teaching sixth grade before

becoming program director for the Nassau Board of Cooperative Educational Services. He began his superintendency tenure at Long Island's Deer Park Schools, a position he also held at South Huntington School. He has also served as district superintendent in the Second Supervisory District of Suffolk County and chief executive officer of the Western Suffolk BOCES

Domenech, an AASA member since 1979, served as president of AASA from July 1998 to June 1999. He is also a past president of the New York State Council of School Superintendents, the Suffolk County Superintendents Association, and the Suffolk County Organization for Promotion of Education. He was the first president and cofounder of the New York State Association for Bilingual Education.

In addition, Domenech has served on the U.S. Department of Education's National Assessment Governing Board, on the advisory board for the Department of Defense schools, and on the Board of Overseers for the Baldrige Award. He is currently chair for Communities in Schools of Virginia, the Learning First Alliance, the Educational Research Service and the Board of Visitors for the College of Education at the University of West Georgia. He serves on the National Board for Professional Teaching Standards, the National Student Clearinghouse, Americas Promise, the Center for Naval Analyses, and the Sea Research Foundation.

The Education and Libraries Networks Coalition (EdLiNC), a coalition representing the nation's leading education and library associations, strongly supports the appointment of Dr. Domenech to the Universal Service Administrative Company Board of Directors. EdLiNC has been working with the Commission to improve the E-rate program since its inception. We believe that Dr. Domenech's broad understanding of education, education leadership and education technology, coupled with a strong work ethic and deep commitment to expanding educational opportunities to the nation's students will add to the work of USAC as it moves forward. His nomination to the USAC board provides continuity and leadership, filling the chair currently held the National School Boards Association with the voice of another school system leader, that of the school administrator/superintendent.

For these reasons, we respectfully request your approval of Dr. Domenech's nomination to the USAC Board of directors, representing schools that are eligible to receive discounts.

A copy of his professional biography is attached. If you have any questions, please email Noelle Ellerson (nellerson@aasa.org).

Thank you for your consideration.
